In this game, you need to destroy numbered balls before they reach the bottom of the screen. Each ball contains a number which indicates the number of hits it requires to be destroyed. Collect circles to increase the number of weapons you can throw at once. Collect stars to unlock new weapons!

At any point during a level, a player can suggest that a throwing star be played - this is signaled by raising a hand. If all the players agree, the throwing star is deployed and each player discards the lowest card in their hand by placing it face up to one side. One throwing star is then set aside.
