In the Find My app or on the web at iCloud/find, you can find your phone on a map, play a sound if it's nearby, and mark it as lost to lock it with a passcode until you find it again. When you sign in, you might be asked to enter a code sent to a trusted device. Find your lost iPhone or iPad with Find My - Apple Support

Latest User Reviews

This game is very clearly very inexpensive for the fun it brings. I don't give it a 10 because you necessarily have to have friends to play, they should have added AI to fill this gap, otherwise, we are on one of the best indie games I've ever tested, still going strong after years.
