Each Minesweeper game starts out with a grid of unmarked Squares. After clicking one of these squares, some of the squares will disappear, and some will remain blank; and some squares will have numbers on them. It's your job to use the numbers to figure out which squares are safe and which are not. The game is played on a grid of squares, and the goal is to uncover all the squares without uncovering any mines. The game is played on a grid of squares, and the goal is to uncover all the squares without uncovering any mines.
